

GOSPEL GLASS

Aug 2009 Issue 10

PARADOX

taller buildings			shorter tempers
more knowledge			less wisdom
more laws			less mercy
more conveniences			less time
buy more			enjoy less
more information			less understanding
too much talk			too little listening
plan more			accomplish less
more years to life			less life to years
conquered outer space			not inner space
trip to the moon			but not to resthome
better IT			poorer communication
bigger people			but smaller character
two incomes			but broken homes
more pills			less wellness
quick trips			wrong destinations
expect more			give less
available food			but overindulgence
full showroom			empty stockroom

GOSPEL GLASS

too much media			too little thought
too much free			time too little creativity
steep profits			shallow character
hate too much			love too little
take more			deserve less
fancier houses			broken homes
fast food			slow accountability
build bigger			not better
build cheap			not quality
demand more			produce less
blame others			not self
indulge self			not others

JULY's Dail-e-Bread Calendar

I had lots of fun looking up the scriptures for "sow". There are many positive and valuable lessons from the word, and the relevance to life is changeless. Visit day by day at
